

Jubilee House Christian School

The Vision of Jubilee House Christian School

- The purpose of the School is to teach pupils to their full potential and to have them all learn effectively, whatever their ability or background. Everything is for this purpose.
- The School seeks a spirit which enables individuals to achieve personal success within a caring Christian environment.
- The School acknowledges and encourages both the rights and responsibilities of its pupils and their parents; its staff and governors; and the wider community. The School welcomes the accountability this brings.
- Quality counts in every aspect of the School, in care for children; in relationships between people and the way it communicates with others; and in the use of resources, buildings and grounds.
- Seeking quality involves continuing review and development and this brings change.
